PROJECT TITILE (Paste in cell B) There	PASTE PROJE	ECT TITLE HE	RE			
	WEIGHT	STD SCORE				
COVER SLIDE	(2 pts)	skip here				
Is the title informative, concise, focused and appropriate?	2					
BACKGROUND & PROBLEM STATEMENT	(9 pts)	skip here				
Is the background showing the need to do research in the field?	2					
Is the background leading to the problem at hand?	2					
Is the problem provided really in connection to the provided background?	2					
Is the problem statement precise and showing what the problem really is?	3					
MOTIVATION AND JUSTIFICATION	(8 pts)	skip here				
Is the provided motivation really showing the need to do research in the stated field?	2					
Is the rationale for conducting the research highlighting the gaps in literature and need to solve them?	3					
Does the justification show a gap in the society or in the field of science the need to conduct research in technology?	3					
DESIGNED SOLUTION - CONCEPTUAL FRAMEWORK/SYSTEM ARCHITECTURE	(9 pts)	skip here				
Is the designed solution well thought with respect to the overall workings of the implemented solution?	3					
Does the implemented solution show how independent components of the designed solution work in harmony to the rest of the system?	3					
Is the provided contribution feasible and capable of addressing the gaps in literature?	3					
ACTUAL SOLUTION	(10pts)	skip here				
Is the solution procedural and addresses tha gaps in the literature?	2					
Is Computational knowledge showing in the provided solution?	3					
Is the student showing knowledge of how the solution builds from scratch to a final product?	3					
Does the actual solution meet the standard of a 3 year CS student?	2					
OVERALL PRESENTATION & QUESTIONS	(2pts)	skip here				
Is the student competent while presenting and answering questions?	1					
Was the student well prepared with adequate effort put in the presentation?	1					
** in case plagiarism is detected, the lecturer should mark the presentation done on the slides and award a maximum of 10 Marks **						
TOTAL SCORE	40	0
